10. EFFECTIVE RISK MANAGEMENT

- Avoid disaster jobs
 - Job was a very large or a company's largest ever job
 - It was the first job of its kind
 - It was the first contract of its kind or type
 - The customer didn't have project financing in order
 - There was a lack of subcontractor performance or even failure

The Top 10 Reasons Contractors SUCCEED!

10. EFFECTIVE RISK MANAGEMENT

- Avoid disaster jobs - *continued* -
 - Rapid growth added stress to already hard-working teams and systems
 - Company leaders developed an attitude that the company was bulletproof and could not fail which can blind even good contractors from obvious risk
 - Company leaders had achieved “enough” success and had become complacent
 - The company had inadequate capital to accomplish growth, succession, or other long-term strategies

The Top 10 Reasons Contractors SUCCEED!

8. Proper Capitalization
9. Data Smart
10. Effective Risk Management

Steps to Take

1. Define success in your own terms
2. Work ON your business rather than simply IN your business!
3. Develop – with your team – a comprehensive business plan for the next five years
4. Join a peer group
5. Create an environment where you and your team can ENJOY the journey!
